**THE KIMBERLY HOTEL COMPLETES RENOVATION OF
INNOVATIVE MEETING SPACE**

Poised and Luxurious Amenities Create Ideal Meeting Space in NYC

New York, NY – While a meeting in New York City can seem like a daunting affair, the warm atmosphere of The Kimberly Hotel’s Meeting Space / Conference Room eliminates that feeling replacing it with a poised business ambiance. The Kimberly Hotel recently completed renovations of their meeting and events space creating the perfect option for small to large board and corporate meetings in NYC.

The Kimberly Hotel’s [Conference Room](#) offers meeting planners a wide variety of accommodations, fashioning the ideal spot for your next business gathering. The 746 square foot space, on The Kimberly Hotel’s third floor, is perfect for corporate meetings of up to 35 people. Offering flexible seating options the room can easily transform into the perfect locale for private gatherings of your choice. Ideal for presentations, the room is equipped with AV receivers for DVD & PC, an LCD projector with motorized screen, a wireless microphone, DVD player and universal remote control. Additionally, the space includes a 60” LG Plasma television and two 42” LG LCD televisions.

Conveniently located in Midtown Manhattan, just a short distance from Grand Central Terminal, The Kimberly Hotel is just right for business travelers. Boasting 188 spacious [guest rooms and luxury suites](#) each complete with high speed Wi-Fi Internet access, guests can feel at home while preparing for important business meetings. The Kimberly Hotel now carries a new, unique customer management technology, ICE-Touch (Interactive Customer Experience). ICE is an in-room monitoring system with a customized design that allows hotel guests to arrange all services – such as in-room dining, spa services, flight status, movies, express check-out, etc. – instantly via a touch screen.

The hotel’s luxurious feather beds and Frette linens allow guests to experience the highest quality sleep, leaving them feeling rejuvenated for their day ahead. Designed to provide guests with a quick workout, The Kimberly Hotel introduced a new state of the art fitness room on the second floor. Visitors to The Kimberly have always had

complimentary use of the renowned [New York Health & Racquet Club's](#) modern facilities, steam rooms and fitness classes.

The [Upstairs](#). The Kimberly Hotel's recently constructed ultra modern rooftop bar / lounge, offers guests spectacular views of the Chrysler building and other New York City landmarks. The glass canopy, retractable ceiling and ambient heated floors formulate the *Upstairs* as an ideal informal meeting space for any time of the year. The specialty cocktail and tapas menu is perfect for wining and dining with clients or relaxing after a busy workday.
