

3/20/20

Dear Friends of the Kimberly Hotel,

During these challenging and unprecedented times, we at the Kimberly will continue to strive at all times to do what's in the best interest of our guests and employees. Your health, safety, and security have always been, and will continue to be, our highest priority. This means taking action to ensure we meet this priority and limit the spread of the COVID-19 virus. Therefore, it is with an abundance of caution that we have made the difficult but necessary decision to close the hotel on Sunday, March 22, 2020 with an anticipated date of reopening on [May 1, 2020](#).

If you have reserved accommodations, or are planning to visit in the coming weeks, you should expect a call from us or you may reach our reservations team at [212-702-1600](tel:212-702-1600) or send an email to reservations@kimberlyhotel.com to modify your plans and make future bookings. Our approach is to be transparent and helpful with our communication.

We hope it won't be long before we can welcome you back to your home in New York City. We look forward to extending the warm welcome for which you have come to know us. We will keep you abreast of all that's happening as soon as we are up and running again.

Thank you very much for your patronage, and please be safe!

Sincerely,

Mujo Perezic
General Manager
